PAN INDIA DISTRIBUTORS OF POWER FASTENING TOOLS AND COLLATED FASTENERS

# ABOUT ORGANIZATION

Established in 2015 as a dynamic partnership venture, Smart Built Associates emerged from the collective vision of four professionals from diverse industries, united by a passion for innovation in the construction sector. Over the years, the company evolved, refining its focus and expanding its product offerings to meet the growing demands of the market.

Since 2019, Smart Built Associates has specialized in power fastening solutions, catering to various industries with a comprehensive range of tools and consumables designed for securing, fastening, and assembling products. From nailing, stapling, strapping, wrapping, and driving to all forms of fastening, the company delivers precision-engineered solutions tailored for efficiency and reliability.

As an exclusive distributor for renowned global brands such as Everwin and Astromsch, Smart Built Associates is committed to bringing cutting-edge innovations to the industry. With a strong emphasis on quality, performance, and customer satisfaction, the company continues to expand its footprint beyond national boundaries, seeking growth opportunities in emerging international markets.

Smart Built Associates remains dedicated to delivering advanced fastening solutions that drive efficiency, safety, and excellence across various industries. By forging strategic partnerships and investing in next-generation technologies, the company envisions shaping the future of fastening worldwide.

## Our Vision

### Explore - Envision - Empower

We strive to **Explore** new markets, products, and technologies in the fastening tools sector, **Envision** innovative solutions that address industry needs and **Empower** our team and customers to thrive in an ever-evolving landscape. Our commitment to continuous innovation drives us to create lasting value for all stakeholders, making a meaningful impact in the industries we serve.

## Our Mission

To **boldly innovate and relentlessly adapt** to meet the evolving needs of our customers, employees, and partners in the fastening tools industry. By fostering a culture of curiosity and collaboration, we empower our team to create measurable, meaningful impact, ensuring that we serve our stakeholders with excellence and integrity.
